This cross-sectional view shows a central component 3 with a semi-circular top surface. A top layer 1 is positioned above it, featuring a semi-circular recess 47 that aligns with the top of component 3. A wavy line S is shown on the right side of the top layer. A curved arrow 2 indicates a downward force or movement on the left side of the assembly. A vertical line 11 is shown on the left side of component 3, and a horizontal line 12 is shown on the right side of component 3.
